

LEVELS

Advanced - For high-level competitive players, including current or former varsity, collegiate, club, or elite athletes

Competitive - For players with strong volleyball experience, often including former high school or club athletes

Intermediate - For players with solid volleyball fundamentals. Teams can pass, set, and hit with some consistency

Recreational - For players who play casually for fun. Skill level is beginner to basic, with less structured play

Unsure (Send us a DM and we will help you figure this out!)
